Believer's Bible Commentary

Synopsis

Make Bible study a part of your daily life with the thorough yet easy-to-use Believer's Bible Commentary. MacDonald tackles the controversial issues head-on, taking a theologically conservative stand, yet presenting alternate views with fairness. The Believer's Bible Commentary is a friendly guide to exploring the deeper meanings of every biblical book. Features: Nelson's best-selling Bible commentary Balanced approach to linguistic studies and useful application Easy to understand

Customer Reviews

My family's go-to answer book is the "Believer's Bible Commentary" (BBC). A whole-Bible commentary provides more detail than a Bible handbook or study Bible, but less than a dedicated commentary (e.g. Romans). Doctrinally, all 5 commentaries below may be classified as evangelical and dispensational. EDITIONS The black and blue edition is much thicker than the older orange dust jacket edition. Another reviewer said the second edition "has no updates." But it has 130 more

pages, based on 's count (2592-2462=130). Nelson advertises "14 pages of 4-color maps...and other study helps." So charts, maps and diagrams may have increased, but I doubt the commentary has changed, since MacDonald was glorified in 2007.

COMMENTARY STATS* The Bible Knowledge Commentary (BKC) by Walvoord & Zuck *Editions: 1983 (NT), 1985 (OT) NIV translation base. 167 grey-scale illustrations! 1575 pages of OT commentary! 979 pages of NT commentary! Emphasis on analysis and the original languages. School of Influence: Dallas Theological Seminary Frequently quoted and recommended in other Bible commentaries! Endorsed by Jeremiah, Wiersbe & Swindoll. * Believer's Bible Commentary by MacDonald & Farstad *Editions: 1995, 2008, 2016 NKJV translation base. People and places glossary! 77 grey-scale maps, charts, sketches (1st ed.). 1150 pages of OT commentary. 1183 pages of NT commentary! Emphasis on devotion and life application. School of Influence: Emmaus Bible College Nelson's most popular commentary! Endorsed by Van Gorder, Wiersbe & MacArthur. Quotes from the BKC. * The Moody Bible Commentary (MBC) by Rydelnik & Vanlaningham *Edition: 2014 NASB translation base. Scripture and topical indexes! 80 grey-scale maps, charts, sketches. 1422 pages of OT commentary! 580 pages of NT commentary. Emphasis on refuting higher criticism. Superficial coverage of difficult verses. See my detailed MBC review on . School of Influence: Moody Bible Institute Popular among Moody and Rydelnik fans. Endorsed by Enns, Jenkins & Rosenberg Quotes from the BKC.

OTHER OPTIONS These next whole-Bible commentaries are based on previously released study Bibles. They are also influenced by Dallas Theological Seminary. * Nelson's New Illustrated Bible Commentary (NNIBC) by Radmacher, Allen & House *Published 1999, 1804 pages, 180 illustrations. Similar to Nelson's NKJV Study Bible. Many mini articles and timelines. * The MacArthur Bible Commentary by John MacArthur *Published 2005, 2040 pages. Similar to the NKJV MacArthur Study Bible. Many illustrations and articles. Teaches "lordship salvation," not "free grace" theology (e.g. Ryrie).

FREE ALTERNATIVES E-Sword Bible study software, for Windows and iOS, is popular and intuitive. Older commentaries are free. But the newer ones above, will cost ya. The comprehensive "Expository Notes of Dr. Thomas Constable" are based on the NASB and available in e-Sword, websites, PDF and MP3. He was a BKC contributor.

ADVICE Buy the BBC in whatever format you use most. I've bought the BBC in hardbacks, Kindle, e-Sword and the FaithLife app. Supplement with the BKC and the "New Unger's Bible Dictionary," if you want more info on a verse or topic (e.g. elders). "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." - , KJV "It shall greatly helpe ye to understande Scripture, If thou mark Not only what is spoken or wrytten, But of whom, And to whom, With what words, At what time Where, To what intent, With what circumstances, Considering what goeth

before And what followeth." John Wycliffe (1320-1384, Bible translator, church reformer, fire martyr) Copyright CBR of BibleLight Ministries.

I have owned and used this commentary as a "real book" for years. I recently purchased it as a Kindle book. While I disagree with a few of his doctrinal positions, I think it is the BEST one volume Bible commentary available today. I find that the Kindle version is easy to use. I recommend it very highly.

An excellent tool for Bible study. Easy to comprehend but provides insight into complex passages. Provides differing views with pros and cons for each view. Loved this commentary so much I bought this one as a gift for a friend. It has helped him get deeper into the Bible.

I love this commentary. Have used it for years - my go to book when studying scripture. Decided to buy it for someone else.

Best single volume commentary I have found. MacDonald was highly influenced by Darby and the Plymouth Brethren. Holds to a pretribulation rapture eschatology. Does a good job of keeping Israel and the church separate. Dispensational. I've bought and given away several of these volumes, and recommended it to many others. If you're only going to have one commentary, or wish someone you know had at least one commentary, consider this one. There may be better single volume commentaries out there, but I haven't seen one, and I've been studying for decades now.

New in the Kindle, but has seen much use over a short period of time. I love the Word, and this Bible Commentary presents it very well.

Love MacDonald!!!! Verse by verse, easy to understand, great integrity, and to the point. Matthew Henry, Macdonald, Calvin, Spurgeon, Gill, Magee, Wycliffe, Wiersbe, and Wesley are all in my library and I use them all daily. MacDonald, in my opinion is the best single volume commentary available. Baker and Moody are ok.

Easy to understand the Bible more in-depth than I imagined, providing context, word meanings, and how the passages one is reading relate to the rest of the Bible.
