Customer Reviews

Borch maps use a patented process for laminating across the folds of the map, making it easy to read and even easier to refold! The tough but non-toxic, environmentally responsible lamination material decomposes to water and oxygen in a landfill environment. Until then, the map is practically indestructible in your backpack or suit coat pocket and can be written on temporarily with dry-erase markers!

Great waterproof map

Limited. I didn't get to use the map as my trip was cancelled due to work reasons. So this review will not help.
