# Submission In Paradise

## Synopsis

Paradise Islands - passion tailored for the woman with everything but time. Shea Devon accepts the gift of a week at Paradise Islands, expecting moonlit walks on the beach with a loving, handsome man and sweet kisses over candlelight dinners. Instead, a mix-up lands her on the company's BDSM Island, at the mercy of a devilishly stern Master. Liam Jordan follows the script he believes was designed expressly for the lovely young woman in his charge. Thinking her resistance is part of the game she desires, he subdues the sexy, sassy Shea and gives her a punishment she won't soon forget, with plans for so much more. Liam is captivated by this woman whose submissive potential has barely been tapped. Shea, both intrigued and terrified by the force of her own reactions, struggles with the concept of erotic submission and even more with the ultimate surrender, that of the heart. But now that the Pandora's box of longing and desire has been opened, there is no going back for either of them. Caution: This book contains explicit sexual content.

Best Sellers Rank: #407 in Books > Audible Audiobooks > Fiction & Literature > Erotica #11686 in Books > Literature & Fiction > Erotica #83554 in Books > Romance

## Customer Reviews

If you could sum up Submission in Paradise in three words, what would they be?Glorious, submissively beautiful.What other book might you compare Submission in Paradise to and why?I can't think of any other BDSM book I've read that compares with this one. I so enjoy the dark romances and this book makes my soul smile. It is a refreshing delightfully happy uplifting romp with Shea and Liam.What about Anne-Marie Amberson's performance did you like?Anne-Marie Amberson's performance was light and bright. She struck all the right notes in this composition. And her various character accents brought yet another dimension to this already lovely book.Was this a

book you wanted to listen to all in one sitting?yes but I had to sleep in between start and finish.Any additional comments?Claire Thompson deserves massive kudos for this blissful and refreshing work. This book is one I will re-read again and again because it makes me so happy!!!! Also, the way Claire Thompson handles the discussion of BDSM in such a realistic and down to earth way is absolutely commendable.

Claire, the workaholic on a forced vacation, meets Ayden the BDSM trainer on a tropical island where romance is definitely in the air. It's a mix-up that brings them together, as Ayden was expecting an experienced submissive and instead gets Claire who was expecting hearts and flowers. Claire gets a rather abrupt initiation to the world of dominance and submission with a spanking that takes her to places she never expected to go and after some discussion, she decides to give BDSM with Ayden a try. Sparks quickly fly and the two begin to develop something more than the simple introduction into BDSM that Ayden initially promises her. When they return to the real world, Claire finds she will have to make some serious changes in her life if she wants to keep Ayden in it.I think the story works well as an intro to BDSM, but it ends a bit abruptly for the romance. Nevertheless, I very much liked that the real world conflict was with Claire's work, rather than some evil deliberately intervening between them. That note of realism adds something to the book. Overall, definitely enjoyable.I voluntarily reviewed an advanced reader copy of this book.

I received this book for free in exchange for an honest review. This does not affect my opinion of the book or the content of my review.When I was asked to review Submission in Paradise by Claire Thompson, I jumped at the chance. I have been a fan of Ms. Thompson's books for quite a while. She is superb at writing darkly erotic novels that grip you from the first page. I was sure after reading the blurb for Submission in Paradise that I was in the same wild emotional ride as some of Ms. Thompson's other books. But Submission in Paradise isn't really about the darker side, it's really a sweet romance and that's okay because it's a terrific book and I definitely recommend it.Shea has spent her adult life working hard and proving herself to be just as competent as any man. She has always been in complete control of her life and she likes it that way. Her boss, and best friend, insists that Shea needs to relax and take a vacation so she buys Shea a week at Paradise Islands where Shea can live out her romantic fantasy.An unfortunate mix up results in Shea being placed in the hands of Liam, a Dom specializing in submission and domination. Yet after an erotic spanking, Shea realizes that maybe she needs to submit and let someone else take control. She and Liam embark on a sexual journey exploring

submission and erotic pain. Along the way, they find themselves falling in love with each other. The characters were a huge part of this novel's success. Shea and Liam were such believable characters and I related to each of them. Shea was like so many of us women today; she focused so much on Shea the career woman that she ignored the actual woman. Shea's need for control is also something I think many women will relate to. Her intelligence and independence made her interest in submission especially fascinating. Liam is pretty much perfection. Putting aside his handsome good looks and British accent, he is an alpha male who isn't afraid to take control but still has a sweet, loving and sensitive side. He was the perfect man to teach Shea about BDSM and I think I fell for him as deeply as she did. In addition to great characters, Submission in Paradise has some of the hottest sex scenes. Make sure the fan is on when reading so you don't overheat. The chemistry between Liam and Shea jumps off the pages and adds to the believability of their relationship. Shea had to overcome the negative connotation of submission. As Liam explained "Despite a slowly gaining acceptance of BDSM into the mainstream, most people's understanding was limited to badly written erotica and tacky porn sites. Well, Submission to Paradise is definitely not badly written. Ms. Thompson is able to take BDSM and showcase the beauty behind power exchanges, and in fact, this is where she excels. You need to put this one on your TBR list.
