'Don't leave home without STREETWISE.' --The New York Times 'STREETWISE is an absolute travel essential.' --Travel + Leisure Magazine 'In a strange city, your sense of direction is only as good as the map in your hands. The best maps to carry are published by STREETWISE.' --Chicago Daily Herald

Been living in Chicago 2 months- this map got me up to speed very quickly. If you are going to be living/travelling through the city, this map is ideal. I promise, the CTA isn't as bad as it looks!

Ended up using an app, the internet, and gps.

Too hard to read this plan and understand where you can go with it. They have better ones. I thought I'd like the portability, but it was too hard to read and plan with.

It fit well in a pocket, but the information on it was too small and crammed together to be useful so we ended up throwing it away.

Wasn't near what I thought was described. Didn't help me much.

way too small - I was expecting something different

Small, compact, and laminated map that folds and fits in a shirt pocket. I bought this mainly to navigate the "L" and it works for that purpose. The other side of the map has city streets and bus routes, and can be confusing and hard to read given the small size.

It is very helpful for when you want to get around Chicago but so small I had to use a magnify glass with my glasses.
