ISBN-10: 0821262068

ISBN-13: 978-0821262061

Product Dimensions: 11.2 x 0.8 x 13.2 inches

Shipping Weight: 3.1 pounds

Average Customer Review: 3.9 out of 5 stars 21 customer reviews

Best Sellers Rank: #761,248 in Books (See Top 100 in Books) #52 in Books > Science & Math > Biological Sciences > Animals > Seashells #883 in Books > Arts & Photography > Photography & Video > Portraits #971 in Books > Arts & Photography > Photography & Video > Photojournalism & Essays > Photo Essays

Customer Reviews

Harold Feinstein's distinguished career in photography began in 1950, when Edward Steichen purchased his work for the permanent collection of the Museum of Modern Art and exhibited it frequently during his tenure there. Feinstein's photographs have also been exhibited by and represented in the collections of the International Center of Photography, the George Eastman House, the Museum of the City of New York, and the Musée d'Art Moderne in Paris. His work has appeared in such periodicals as Life, Audubon, Connoisseur, and Popular Photography. He is the author of 100 Flowers, Foliage, The Infinite Rose, and The Infinite Tulip.

I bought One Hundred Seashells for my aunt for Christmas. When It arrived, I was stunned by the beauty, and quality of the photographs! A while ago, I purchased The Infinite Rose, a gorgeous, but smaller book. For some reason, I was expecting One Hundred Seashells to be the same demure size. Instead, it's a coffee table sized, substantial book of gorgeous images!!!! I am thrilled and anxious to give my aunt her stunning Christmas present, and delighted by my selection!

Probably my favorite book from Feinstein.

The book is huge.....shells are mostly larger than life size. I was expecting a small book, like Harold Feinstein's others on tulips, etc., and was disappointed to see the size of these shells.....lovely photos though.

This is an absolutely gorgeous book. I learned of its existence at a beach wedding we attended recently where it was used as a Guest Book. People were expected to select a page and sign in on a shell with a big Sharpie pen. Naturally, when we celebrated our 25th Anniversary at the Yacht Club with a beach/shell/nautical theme last week, we used the book in the same way. People loved looking through the impressive photographs and it will be a beautiful memory maker for years to come!

I purchased this book as a sign in book for my wedding guests. We had a beach wedding, so it fit in perfectly. The guests just signed right on top of some of the pictures, which looks really cool. I got many compliments on how beautiful the book was and what a great idea it was. Now we will be happy to have this as our special coffee table book for many, many years.

A present for my boss. Went well in his home.

A-OK

Although this book has some compelling and beautiful photographs, they fall short of the high resolution photos we have all become used to. The photos (or perhaps the printing) lacks the clarity and detail that high-res photos (or printing) would have given.
