GOOD PRICE

Cost was reasonable, Shipped expediently, and the book was in excellent condition! Will be getting all my future books this way in the near future!

The book has a very distinctive odor. Very distracting when reading, especially when book has been posted as Brand New.

if you want to learn about the radiology field this is a good book to have to give you a sneak peak into their world

Thank you for your prompt and service. I hope to do business with honest people like yourself in the future. Marshall

Brand new book, arrived quickly. Very pleased.

It was great exactly what I ordered
