Changed Into His Likeness

Synopsis

Are you ready for real and radical transformation? *God Is Enough!* This message comes through loud and clear in the lives of Abraham, Isaac and Jacob. While they failed time and again, God was faithful to convict, restore and bless them. And He is able to deal with our slipping and stumbling as well. Watchman Nee uses the lives of the patriarchs to show that God is able to turn our failure into success and our weakness into strength. He does this not so much by transforming the situation as by transforming us. But God's sufficiency in the face of our failure is seen only as we surrender to Him and are changed into His likeness.

Spiritual applications from the lives of Abraham, Isaac and Jacob. Extremely helpful insights for Christians struggling with the flesh. Some of the main points are: 1. What it means for a believer to be in Christ (what Christ has already accomplished for me and what I can't and don't need to try to accomplish for myself) 2. What it means for Christ to be in the believer and 3. How God is faithful to deal with the old man (Jacob) in all His children. This was a very liberating book for me.

I've never been disappointed when reading anything by Watchman Nee, and this book continues his Holy Spirit inspired teaching. Nee has a way of delivering the depth of God's word with a simplicity that can only come from personal experience. Reading this teaching will drive you to want to begin

once more to explore God's message to us delivered through the lives and experiences of three great men in the Old Testament.

Excellent book by Watchman Nee! It is a short read but not a quick read! There are so many profound truths brought forth by Brother Nee as he looks at the life of Abraham and how God called him out from Ur of the Chaldees, a people who were idol worshipers [as how God calls us out from what ever we had at the centers of our lives and worshiped instead of him] How He made him The Father of a Great Nation more numerable than the stars that went on to include the Jews and the Gentiles. I really can't emphasize enough how good this book is. It will make you stop and realize how Awesome Our God Is!!!!

The books begins with a question: Why does God choose to be called the God of Abraham, Isaac and Jacob throughout the Bible? He then examines what we can learn from each life and what God teaches through each man. Until we begin to understand what God meant to each of these we cannot fully know God. A great study!

In a spiritual spiral downward until I read this! Watchman Nee was a name I've never heard and one that I'll never forget. This book was one that gave me the desire to delve into scripture with the Holy Spirit. My heart is changed forever. Draw close to God and He will draw close to you is a great way to describe this book for me. I thoroughly enjoyed it.

I found peace in the journey with Abraham, Isaac and Jacob. So many sermons have come from this era of the Bible and there is so much there. The story of love and forgiveness is evident.

I think Watchman Nee was a teacher of all seasons,. Some seek to place him on a throne and worship him. This he refused to accept while he was alive. Today Witness Lee and his cult following have hijacked Watchman Nee writings and made them a part of their false teachings, thereby spoiling his name before many. If you want the word of God to change you this is a good reader to expose the hidden things of your life that prevent you from growing in the Lord. Brother L

Neat little book. Nee has a very unique perspective into the Lord's word.
