## Synopsis

What sets "George Washington's Sacred Fire" apart from all previous works on this man for the ages, is the exhaustive fifteen years of Dr. Peter Lillback's research, revealing a unique icon driven by the highest of ideals. Only do George Washington's own writings, journals, letters, manuscripts, and those of his closest family and confidants reveal the truth of this awe-inspiring role model for all generations. Dr. Lillback paints a picture of a man, who, faced with unprecedented challenges and circumstances, ultimately drew upon his persistent qualities of character - honesty, justice, equity, perseverance, piety, forgiveness, humility, and servant leadership, to become one of the most revered figures in world history. George Washington set the cornerstone for what would become one of the most prosperous, free nations in the history of civilization. Through this book, Dr. Lillback, assisted by Jerry Newcombe, will reveal to the reader a newly inspirational image of General and President George Washington.

An enlightening, engaging, and long overdue correction of the falsehood that Washington lacked faith. --Rodney Stark, Baylor University. . . . Dr. Lillback burries the myth that Washington was an unbeliever - at most a "deist" - under an avalanche of facts . . . . --Robert P. George, Princeton University  
Secular historians ignore George Washington's ward Nelly Custis, who wrote that doubting his Christian faith was as absurd as doubting his patriotism. But they cannot ignore this mountain of evidence suggesting Washington's religion was not Deism, but just the sort of

low-church Anglicanism one would expect in an 18th century Virginia gentleman. His "sacred fire" lit America's path toward civil and religious liberty. --Walter A. McDougall, Pulitzer Prize Winning Author

Peter A. Lillback, Ph.D., is the President of Westminster Theological Seminary, where he is also Professor of Historical Theology. He is also President of The Providence Forum and Senior Pastor at Proclamation Presbyterian Church in Bryn Mawr, Pennsylvania. He is the voice of "Proclaiming the Word," a daily syndicated radio program, as well as the "Proclamation Worship Hour." Dr. Lillback received a Ph.D. from Westminster Theological Seminary, a Th.M. from Dallas Theological Seminary, and a B.A. from Cedarville University in Ohio. He is the author of "The Binding of God: Calvin's Role in the Development of Covenant Theology" (Baker), "Freedom's Holy Light - With a Firm Reliance on Divine Providence" (Providence Forum Press) and "Proclaim Liberty: A Broken Bell Rings Freedom to the World" (Providence Forum Press).

I feel that the author has taken the challenge that those who have written about Washington who claim he was a deist has properly proven on the contrary. I think Mr. Newcombe has properly asserted his position that the man did believe in a God and said prayers to a divine being who was influential in the affairs of mankind. This alone would disprove of him being a deist by definition.

Not finished it is a big book but so far very well written.

The written content is FIVE STARS, however, the pages are all coming unglued and falling out as I turn the pages leaving me very disappointed and upset. I love books and like to return to them as future reference points. I'm afraid I will lose pages in this book. The loose pages fall onto the floor while I'm reading and this is aggravating. I would love to receive a new book for free with hopes the pages won't fall out.

Written by an author who is committed to rigorous examination of the evidence, it peels away, layer by layer, the myth that George Washington was a Deist. It is hard to conclude anything other than that George Washington was a Christian of the Anglican persuasion. It is long and sometimes tedious, but for those who are willing to dig into it, it is rewarding.

This is what you don't learn in schools! Very good read

Wow what a guy! I cant say enough except I always thought Washington was the very wealthy heir to a fortune who was smart and knew how to network. Well he wasnt wealthy or an heir except for the ability to be self motivated and tenacious His Father was that however short his influence on Washington was. There is no ignoring the brilliance of this man he had no radio television or computer to show him how it was all from within. An Amazing story about an amazing man can they clone this guy? I mean if we can clone sheep this is the person we should seek to clone HOWEVER he would not want that not based on his deep religious beliefs and moral compass. The man was no saint but honestly I for one am glad he was not a martyr because of all the great and marvelous input to this country. Well written easy read If you enjoy historical biographies and seek to learn read this!
