Poverty (Hot Topics)

Synopsis

The immediate relevancy of hot topics like pandemics, gay rights and students' rights makes this series prime material for student research. Each title provides a thorough and carefully balanced presentation of the many issues surrounding each topic, inspiring critical thought. Meaning is fleshed out through a clear presentation of context, and the clear narrative includes compelling examples and is enlivened by pertinent quotes from age-appropriate sources.

Book Information

Series: Hot Topics

Grade Level: 7 - 10

Customer Reviews

Kafka does an admirable job of presenting the multi-faceted topic of poverty for young readers. She examines the questions raised by complex issues such as globalization, the World Bank, hunger projects, NGOs, the Millennium Development Goals, natural and manmade disasters and many other realities of life in the 21st century world. Without talking down to readers, or presuming to know the answers, she merely clarifies the multiple perspectives raised by each theme in the book.
