25 Cent Canadian Folder Vol. 5 (Official Whitman Coin Folder)

Synopsis

Whitman Coin Folder Album - Canadian 25 Cents 2001-onwards #5 #0794824854 Canada This durable, attractive folder comes in the traditional "Whitman blue." Its cover shows an artfully rendered image of the obverse of a Queen Elizabeth II quarter dollar. Inside is a narrative describing the coins and their place in Canada's rich and fascinating numismatic history. The folder has holes for each date as well as popular varieties. Simply place the coin with one edge tipped into the hole, and then press the high edge down. Feel the snap? It's locked in!

I've been buying Whitman coin folders for decades for American coins. I recently learned that my best friend collects Canadian coins, so I bought FIVE Whitman albums for his use. They are ALL disappointing! They are designed and manufactured in such a way as to FORCE you to buy more books, when that is ABSOLUTELY NOT necessary. For example, the Canadian dollar book #4, starting 1987, provides notches for ONLY nine coins per page with one inch spaces between them

from top to bottom and 3/4 inch spaces between them from side to side. In other words, there is LOTS of room for many additional coins. THIS book, the Canadian Dollar book, starts in 1987 and runs ONLY through 2008 with four blank notches. The Canadian quarter books are similarly designed. Book #5, starting in 2001, SHOULD be "current." The first two pages are for "regular issues" and, AGAIN, provide notches for only NINE coins per page. Regular issue spaces appear to end at 2006. The third page provides spaces for Olympic Commemorative quarters, but ONLY through 2009! WHAT A RIP OFF!! If I had bought these for myself, I would return them for a refund!! I don't know what other methods of collecting Canadian coins exist, but I urge you to find something else instead of wasting your money on these. Consumers need to make their voices heard through their purchases or manufacturers will continue to take advantage of us!

This folder only holds a limited number of coins. Warman's Canadian 25 cents coin folder holds many more and is much better

Paper blew out on the back after adding a coin.

great book to put your coins in to keep them in order and good looks. have nice dates, but don't get it wet or it will fall apart. but a little tap on coin and it is set
