"May help ease those 'first day' fears."--School Library Journal.

Illus. in full color. A sympathetic story about Sister Bear, who conquers her fear of starting kindergarten.

Great fun book for all kids about to start school!

Good Book, my daughter made me buy every one for her and she reads them to me before bed. The lessons in these books should be mandatory reading for adults when they turn 21, it would make the world a more friendly place.

Cute book for the 1st day of school. Our Kindergartner loved it like she does all the other Berenstain bear books!

We love the Berenstain Bears around here. My four year old is really into this as it talks about Sister Bear going into kindergarten, which she'll be doing in a year. One of their most picked, nightly reads.

My kids love this book. Bernstein Bears are the characters of the month, and it's nice to just be able to jump on my phone and get something like this so quickly.

Aside from my son being upset about not being able to ride the bus like Brother and Sister, we love this book. It helped ease kindergarten fears and gave me some laughs over my son's reactions.

Classic story book for the little ones! (and brings me back to when I use to read them !!)

My son responds best to changes when we read about them and talk about what is coming. This book is a good conversation starter and he enjoyed it.
