My 9 year old son has finished all of the books currently available in the Diary of an 8-Bit Warrior series. He decided to start the Diary of a Nether Kitten series while waiting for the next 8-bit book to be released in April. He said he really liked this book, and plans to read the other books in this series as well.

[From Henry:] I love the book! A cat (my favorite animal) in Minecraft (one of my favorite video games) It's amazing! A cat being friends with a ghastr called Clyde in the Nether. I love the

pics! You're awesome, Cube Kid! Please share book 2!

My 9 year old daughter loved this book. The minecraft kittens are so cute.

My 9 year old is an avid reader and Minecraft-esque books are his preferred genre. He LOVES the 8-bit warrior series (I have to force him to read new books instead of re-reading these) and we search out anything by CubeKid. A cat lover, he was excited by this title and was not disappointed.

We enjoyed the story since we like cats anyway and Minecraft. Great book for kids. Great writing. Easy to understand for kids

My son loved this book! He really likes cats and Minecraft. I'm so happy to find a book that combines his interests!

Epic book. The plot is flawless, and the story is really immersive. It felt like I was Eeebs. Great ending, total cliffhanger there. I know your schedule is probably crammed, Cube Kid, but please hurry up with Book 2! Well done!

I, myself did not read this but my 10 year old son did. The son who you have to beg and bribe into reading to reach his school's 25 book standard. Not only did he read this in one short sitting, he actually retained what he read. This is quite amazing for my kid.
