LEGO NINJAGO: The Visual Dictionary (Masters Of Spinjitzu)

Synopsis

Meet the Masters of the Spinjitzu as they prepare to do battle and learn about great heroes and the ninjas' mortal enemies while discovering little-known facts about their weapons and vehicles.

Discover everything there is to know about the world of LEGO® Ninjago with DK's all-new LEGO Ninjago: The Visual Dictionary. Go behind the scenes to explore the creation and stories of LEGO Ninjago with a fantastic gallery of every Ninjago minifigure and set ever created. Read dramatic storylines from the fun LEGO Ninjago episodes and movies. LEGO Ninjago: The Visual Dictionary wouldn't be complete without a limited-edition minifigure to add to your LEGO Ninjago sets so you can create ninja adventures of your own!

Zane Ninja of Ice Zane has always been unusual. When Sensei Wu first met him, he was meditating at the bottom of a frozen pond! [View larger](#)

The Skeleton Army The Skeleton Army, also known as Skulkins, come from the Underworld—a shadowy realm where the dead of Ninjago come back to life. The bony battalion is working for Lord Garmadon, who has made himself King of the Underworld. [View larger](#)

Nindroids The Overlord builds scores of Nindroids on a factory line, that are modeled on the blueprints of the Ninja of Ice, Zane, who is a Nindroid. The humanoid robots can do everything Zane can—but their design is the next generation of Nindroid, making them faster, stronger, and more agile. They are also programmed to carry out the Overlord's orders without question. [View larger](#)

Spinner Sets In 2011, the LEGO Group released the first Spinner Sets for the LEGO Ninjago: Spinjitzu Spinners game. The aim of the two-player game is to knock the opposing character off their spinner. [View larger](#)

Cute book for a Ninjago fan, but it looks much thicker than it actually is because of the packaging for the minifigure in the bottom right front corner. I was a little tricked by that. I was also disappointed to see that a lot of characters are not included in this book - and I'm guessing that's because of its Sept 2014 publication date, which means the book was probably finished and completed in late 2013 or so. So if you're looking for Ronin, Paleman, Master Chen, Evil Wu ... you're not going to find them in this book. It's a little outdated. The print is fine, the colors are great. The "good" of it is basically everything that is to be expected of Ninjago merchandise. I just was tricked into thinking the book was going to include characters and builds past season 3, but it doesn't. Season 3 is as far as the summaries go. It's still a great book but why is it still priced so high for being so far behind? Weird. 4 stars - again, totally deceiving because the first 1/3 of the book is just an empty cardboard box to hold the minifigure. We have a few other Lego books that are pretty substantial, and I was

imagining the same for this but ended up being just a bit disappointed in the pricepoint for what you get.

Actually, my 5 year old grandson loves it and his father bought it for him. Personally, I far prefer to read him Curious George and Winnie the Pooh and he loves those, too. It appears I am a bit out of sync although I know Star Wars started it all and that is my generation.

This book is really big, much larger than a standard size, which my son loves. Great pictures and all the details were fantastic.

My 5 year old son loves this book! We read a few pages every night. If you have a Ninjago fan, get them this book! We've gone through it 2-3 times completely in about 2 months. I especially like that they have a part about the designers and how to become a Lego designer. Very cool!

Perfect dictionary!

Love these!

My boys (age 7) LOVE this visual dictionary. It's hardcover and decently thick - though there is a lot of 'false thickness' taken up by the minifigure. They love learning the history and backstory of all the ninjago characters. Through this book and a couple more like it my boys have rediscovered Legos (which they liked at 5 but took a break from last year). It's a pretty safe choice for a 7 year old boy.
