Elements of Literature: Fifth Course : Literature of the United States With Literature of the Americas

Bruh if ur reading a review for an english textbook, idek what to say to you

This is just the right book for my daughter's literature class, 11th grade. A great mix of literature topics. Thanks.

Really great condition for \$20.

Good condition

Great to have an extra copy at home so son didn't have to lug it home from school everyday:>

My daughter has an A in the class so this must be a wonderful book. If she ends up with an A+ it will be the best purchase ever.

This is a very informative book. It contains a collection of literature I have not seen anywhere else. It has writing from the Puritans and the colonists, all the way up to modern day writers. It's full of history and really cool pictures, and all kinds of writing. It's a cool book.

This was a required school book. It was in near new condition at a SMALL FRACTION of the list price. Arrived quickly! This was a GREAT purchase!
