Synopsis

This paddling guide to Desolation Sound and the Strait of Georgia provides historical travel information on a part of the Inner Passage between Vancouver Island and the BC mainland. Customer Reviews

An avid sea kayaker and canoeist since 1969, Heather Harbord has paddled extensively, including the Gulf Islands and the Strait of Georgia. She has also paddled much of the West Coast of Vancouver Island and the Queen Charlotte Islands. Heather was the first president of the Sea Kayak Association of BC.

I haven't been here (yet) so I can't vouch for the accuracy of the information, but the guide appears to be very handy. It has the boat launch sites, camping sites and lists of what charts you'll need. Plus the areas of current & tidal rips etc. As for armchair adventuring, its great. Already I've spent several evening dreaming of a trip up here. Probably not this summer but maybe next. Not a replacement for experience as a kayak camper but definitely handy as a guide to the area.
