When Trouble Finds You: Overcoming Child Abuse, Teen Pregnancy, Domestic Violence, And Discovering The Remarkable Power Of The Human Spirit

Synopsis

Sometimes, even the people closest to us can't comprehend the unrelenting pain of our past, as was the case for Toni L. Coleman Carter—mother, wife, outspoken community leader, human resources practitioner, lecturer, and former government executive. For dozens of years, Toni hid the scars of physical and sexual abuse, the shame of an attempted suicide, the challenges of being a teen mother, and the granite obstacles of climbing the corporate ladder. *When Trouble Finds You* is Toni's frank, vivid memoir that shares the experiences that shaped her into a trailblazer. By inviting readers into her story, Carter reaches out to the hundreds of thousands who find consolation in their silence—and empowers them with the courage it takes to find their valuable voice.

When Trouble Finds You - Author Toni Carter
Let me start by sharing first my own personal insight: Life deals us all some pretty nasty blows. We all have had our share of life's struggles and trouble --and if you have not! As the old saying goes "keep living". That's not being negative that's being REAL! I have been so blessed by all that is written and shared in this book. God bless you Toni. I'm

so thankful to God for allowing our paths to connect. You are in the words of another Author Dr. Linda Stennis --shared in her book *May I Borrow a Cup of Sugar* ~ "A divine KINGDOM connection". Below are 4 key principles I read and related to the most. Why? because they were so key and pivotal to my own life's lessons & journey: Which is from victim to VICTORY! My Favorite Key Points: 1. "Finding your own voice" 2. "Treat people the way they want to be treated...not the way you want to be treated" 3. "Working alone never gets you where you need to go" 4. "Attitude and performance weren't the only things that mattered- I needed connections" Sincerely, Victory Praise Dunlap (aka Terris Khan)

When Trouble Finds You (WTFU) is a captivating and moving journey that can be instrumental in detecting various forms of abuse. Thank you Toni for spreading your wings in spite of life's adversities. In sharing this book you've encouraged others to become "Overcomers" too. I've gifted WTFU to friends. This invaluable resource must be shared with the world. Gina Bishop - - Shernell received WTFU as a gift: "Good morning :) I wanted to thank you so much for that book! I read the entire thing on my flight to LA. It was so encouraging and inspirational! I truly feel so empowered with all the possibilities that are out there for me if I just push forward! Loved it!!! *When Trouble Finds You: Overcoming Child Abuse, Teen Pregnancy, Domestic Violence, and Discovering the Remarkable Power of the Human Spirit*

Initially, I would like to honor the author for having detailed a comprehensive examination regarding her formidable adolescent struggles which were precipitated by the criminal actions of those situated to protect, love, and nurture. The text allows the reader to be uniquely aware of the visceral emotions, fears, and subsequent triumphant strengths illustrated by the central figure amid seemingly chaotic environs. This must read and lovingly shared text is knowingly therapeutic and is a cathartic release for readers having escaped similar conditions. *When Trouble Finds You: Overcoming Child Abuse, Teen Pregnancy, Domestic Violence, and Discovering the Remarkable Power of the Human Spirit*
