Customer Reviews

This one is a little unwieldy. I like the paperbacks. But as always, a great read.

This book is an excellent addition to the Bathroom Reader series, and the use of pictures and artwork provides a whole new perspective on the always interesting articles.

Actually, I have bought all of Uncle John's trivia books. Just when I begin to wonder if another is coming out - there it is! This one was as wonderful as the others. Full of information I'll probably never need, but fun nonetheless and as a writer, I'll sneak some of this info into some future book I write.

My Stepfather really enjoys these books! It was suggested that I maybe pick up one for him, so I bought two! This one and the 2016 Bathroom Reader. He Loved them both! The smile on his face was priceless and I am so pleased with the outcome! I see more of these being purchased in my future!

A really good interesting book. Uncle John's series of books never disappoint.

always a hit at Christmas, everyone enjoys checking out the latest, looks like a lot of fun facts

I have been reading Uncle John's Bathroom Readers for more than twenty years. This has made me smarter, taller, and better looking. And my wife agrees with me, for all you smartasses out there. What a great pleasure these books are!

The black passport cover is very high quality. I would definitely buy again.
