Discourse On Method And Meditations On First Philosophy, 4th Ed.

Synopsis

This edition contains Donald Cress's completely revised translation of the *Meditations* (from the corrected Latin edition) and recent corrections to *Discourse on Method*, bringing this version even closer to Descartes's original, while maintaining the clear and accessible style of a classic teaching edition.

Customer Reviews

The new version of Cress's translation of Descartes's *Meditations* has attained an unusually high degree of readability . . . and, at the same time, of fidelity to the original. This combination . . . makes the work especially suitable for classroom use. --Roger Ariew, University of South Florida, and Marjorie Grene (1910-2009), Virginia Polytechnic Institute
An excellent edition and the price is fair. --Alan Soble, University of New Orleans

Text: English (translation) Original Language: French --This text refers to an out of print or unavailable edition of this title.

It was good to reread this - I haven;t read Descartes since my college days. In this "meditation" he investigates skepticism - it was interesting to read his process on questioning his thoughts.

This is an excellent product and its everything I was expecting it to be. I am happy with the product

and serviced, I have received.

Buy Spinoza's Ethics and contrast it with Descartes for a life changing experience.

Though I believe intellectualism is a created title for dolts and boring minds, I also believe we need to understand ourselves, & each other. Descartes is THE place to begin if you have a true interest in that understanding, & your possible place in the world you inhabit. This book is a good translation of two great works. Reading this publication presents a fresh opportunity to look at everything from a new & clearer perspective. Written in a simple essay format, it allows consideration and contemplation of the text, rather than the draining involvement of putting it all together.

Great condition and a great read.

Good translation of these two epic making works.

ok

As advertised.
