Customer Reviews

Bob Vachon is a professor in the Computer Systems Technology program at Cambrian College in Sudbury, Ontario, Canada, where he teaches networking infrastructure courses. He has worked and taught in the computer networking and information technology field since 1984. He has collaborated on various CCNA, CCNA Security, and CCNP projects for the Cisco Networking Academy as team lead, lead author, and subject matter expert. He enjoys playing the guitar and being outdoors.

This book has helped greatly as i am doing my homework. It has alot of useful information about the devices.

Nice consolidate book.

Has tons of good information, I will continue to use this when I get a job in the Security Field.

The Delivery was very fast and the book is great even being a portable one :)

I love these command guides. I use them all the time.

Great reference, I use regularly for verifying basic configurations of my work

Excellent Reading Material

Easy and convenient.
