## Customer Reviews

Anti Inflammatory Diet Action Plan is a book that should be read when one is looking for some useful and meaty discussions on what the Anti Inflammatory diet is all about. This book has told readers how they can heal themselves with food. This may sound unbelievable, but this is what I got here. I think the book has been written with a clear purpose in mind--to help readers "achieve their goals and live a healthier and happier life." And this, for me, is more than enough reason to read this, follow it, and implement some changes in my life too. I also personally appreciate that the book has given the list of foods that aggravate inflammation and the anti-inflammation ones.

We all know that inflammation causes pain and trigger chronic diseases. My mother is suffering from arthritis and we all know that this cause of inflammation of the tendons. And to stop inflammations we must adopt anti inflammatory diet to treat it. This book will give us the 6 week anti inflammatory diet plan. The author will give us delicious and easy to prepare recipes to stop inflammation. The ingredients are easy to find and in this way, we can treat inflammation in a natural way. And this book gives the readers proper introduction and understanding of anti inflammation and how this diet can prove useful. I already share this book to my mom and we also tried some of the recipes given in this book.

This book is a good source of information to guide you on what kind of diet is best for a person who has the disease. In this book you will see a guide on how to diet properly and what kind of food you need to eat. The author provides a list of healthy recipes for people who has this kind of disease. It is indeed a very informative book and I highly recommend this to everyone.

I have been on an aggressive path to changing my eating behaviors and inspiring a better and healthier lifestyle. This book—Anti Inflammatory Diet Action Plan: 6 Week Meal Plans To Heal Yourself With Food, Restore Overall Health And Become Pain Free (Anti Inflammatory Diet, ... Anti Inflammatory Diet Plan Book 2)—is another stepping stone to doing just that. It's filled with an intelligent amount of information regarding food and how certain foods affect your body and create inflammation, which in turn attributes to so many other health issues. I recommend this book if you suffer from food allergies. Recipes are amazing too.

Shared with helpful tips of different kinds of foods that cause inflammation, foods to prevent inflammation and foods that can help inflammation free. Green Tea is known for rich in antioxidant which helps to lower cholesterol levels as well as prevent heart disease. It reduces inflammatory responses and has anti-cancer properties which will keep you healthy for a long while.

Trying it. We shall see. It seems to be a logical way to eat.

Lots of recipies

Good information - easy to understand.
