First Aid For The Psychiatry Clerkship, Fourth Edition (First Aid Series)

Synopsis

The #1-selling psychiatry clerkship book provides just what you need to deliver a strong performance on the psychiatry clerkship and earn honors on the shelf exam. Completely revised to reflect new DSM-5 criteria, *First Aid for the Psychiatry Clerkship: Fourth Edition* is your high-yield insider's guide to the psychiatry rotation, and gives you the core information you need to impress on the wards and earn honors on the clerkship exam. Peppereed with mnemonics, ward tips, exam tips, and integrated mini-cases, the fourth edition of this best-selling book focuses on helping you hone in on, and remember, the most important concepts for the clerkship and the exam.

Customer Reviews

Latha Ganti, MD (Gainesville, FL) is an Emergency Physician at the VA Hospital in Gainesville, FL. Matthew S. Kaufman, MD (New York, NY) is an Emergency Physician and an Assistant Professor of Medicine at Albert Einstein College of Medicine. Sean M. Blitzstein, MD (Chicago, IL) is Director of the Third-Year Clerkship in Psychiatry and Clinical Assistant Professor of Psychiatry at University of Illinois at Chicago. He is also a staff psychiatrist at the VA/Chicago Healthcare System.

This book plus Uworld Qbank were the only resources I used for reviewing the Psychiatry shelf exam and I am very happy with my score. It is easy to read and not extremely long. It does seem a

bit redundant at times which would be my only criticism. But it fills its purpose. I bought it specifically because it was updated for DSM V. I am not sure how it compares to previous editions, but I felt comfortable knowing it had the most up to date information.

I used this to brush up on my psychiatry. Provides a good basic review of psychiatry and you could read through this in a night. I believe I had the second edition in med school but this version contains DSM-V definitions. I don't think this will provide in depth knowledge of psychiatry but it will give you a good crash course in a short period of time. Should also be good for medical students taking shelf exams, if those are still given.

Great book! I love the first aid books!

Great for clinical!!

Everything you need for the psych clerkship. High yield facts in a concise book. I felt that this book was essential during my rotation.

I bought this for my psychiatry rotation. Very short and sweet! A must have.

Good Study Guide

best resource for the psych shelf, just read through this a couple times during your rotation. High yield info and nice mnemonics/charts to help you memorize the important details.
