Customer Reviews

I cannot say that my daughter was happy about this book, but it has challenged her. I know it has caused her to grow as a flute player.

Nice collection of studies for the advanced student to work on technique, fingerings, articulation and tone in the high register.

This booklet provides some nice ideas and exercises on how to perform double and triple tonguing. 243 exercises is overkill - the ideas could probably be condensed into a dozen examples. Plenty of sight reading for the player who is interested in such things.

Recommended by my daughter's private teacher. Best for motivated intermediate students.

I used this technique book as a child, and am thankful to be able to now use it with my students.

Great, thank you

It is a gift for my daughter.

5 star. Nicely weighted and sharp. Very well-made. i will come next time . my family , excellent.
