For those who don't know, this book is the companion to the book "Baptism, the Key to Heaven," which together explain the principles of sin, repentance, baptism and the Gift of the Holy Ghost. They make a perfect duo and should be purchased together to get the full benefit of the principles being taught the young candidate for baptism.

If you have an 8 year old definitely by this book. The story is easy to understand. The illustrations are beautiful. It's beautifully put together for excited children learning about baptism.

Such a darling way to explain the baptism ordinance. I loved the Holy Ghost book and I also loved the companion Baptism book which I do not see here. A perfect duo written in a beautiful way.!
