# The Berenstain Bears, God Made The Seasons (I Can Read! / Berenstain Bears / Living Lights)

## Synopsis

Winter, spring, summer, fall, Brother and Sister Bear love them all! Read all about the seasons in Bear Country. This is a Level One I Can Read! book, which means it's perfect for children learning to sound out words and sentences. It aligns with guided reading level I and will be of interest to children Pre-K to 2nd grade.

Grade Level: Preschool - 3

## Customer Reviews

Stan and Jan Berenstain introduced the first Berenstain Bear books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too. Although Stan died in 2005, and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

Great book with great principles for little kids and early readers.

Great read with the kiddos, explains the seasons with a biblical explanation and the readability of this book for my 1st grader is perfect. Our family will cherish this book for years to come!

Teaches kids why there are different seasons. Great book for beginners.

My 3 year old loves the Berenstain Bears, and this Christian-based book about the seasons is no different! It is a great teaching tool for early readers, and it is a great way to learn about God and the seasons

Awesome book! Always glad for more Living Lights Christian message early readers from the Berenstain Bears I Can Read Level 1 readers as they are almost pretty good, but this one is down right wonderful all the way through. Educational and fun touching on each of the four seasons with science and fact making it a year round read. But the rhyme and rhythm of each stanza makes this pure poetry and run to read aloud. This one is definitely a favorite for me and we'll be keeping it handy.\*Thanks to Zondervan for providing a copy for review.\*

Love this book. We are using it to add to our Seasons unit for homeschool science.
