Customer Reviews

McGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide

Excellent!

School

great book for students, I use it with my ELL learners to teach hs economics.

It is a well written text book and am satisfied.

its a book lol

Solid textbook that covers the basics of economics at the high school level. University of Indiana Online High School picked a good one.

Excellent condition!

Great book!
