Lawrence O. Richards has written over 200 Christian books, including commentaries on every book of the Bible and Zondervan bestselling Adventure Bible and Teen Study Bible, which he did with his wife, Sue. ^ ^ ^

Actually I was replacing my copy that I had loaned out and wasn't returned. However, I loaned this to my brother-in-law who has shied away from reading Revelation and he devoured it. He found it very helpful for understanding and clarification. I'm looking forward to rereading and studying it.

This book is wonderful. You start at the beginning and by the time you get to the end you discover that this book in the Bible wasn't as hard to get thru as you thought. Wonderful for someone having trouble with this book in the Bible.

Good book.

I purchased the book for a bible study at church. I think it was a good choice. Understandable reading. It has the bible verses entwined with the explanations, I find that I like reading the bible and then the commentary.

Each my three books ordered at the same ticket was charged as three independent shipping prices. What's going on??? Please respond. Three book on revelation

great

This is a good reference when looking at the awesome experience John had when he went "up higher". Good guide.

I use these faithfully in my bible study class. So helpful and makes Revelation so much more understandable.
