I just love this curriculum! I have taught Sunday School to pre-schoolers for many years and this is the best most thorough curriculum I have ever used. I can take 1 lesson and split in into 3 weeks of crafts and games. I teach Sunday School in a small church and because of lack of space I teach

ages 1-5. We sing songs[lot's of songs} and then we have our bible story. The crafts are simple enough to adapt to the youngest ages, plenty of coloring sheets but also challenging enough for the older ones, with cutting, gluing, and many other fun activities. There are so many great ideas and most of the crafts are made with things that you have around the house! I just love this curriculum!

Bible stories are presented with clarity. Activities are not very unique or creative. I will need to look elsewhere for activities to go with the Bible lessons.

I never received the item, but when I contacted the seller, they promptly gave me a refund; but with no explanation.

This book makes my lesson planning easy.
