1canoe2 is the stuff dreams are made of! Carrie Shryock and Beth Snyder are childhood friends who have always loved to make art. Now they're blessed to work and dream together in their little red barn on Carrie's family's farm. Whether it's a handwritten note or a poster of a night sky glittering with stars, everything they make in their barn studio stems from a deep appreciation of life's natural beauty.

This calendar is fantastic. The images are very pretty and you get the option of a smaller calendar with just the dates on one side or a larger grid on the other so you can write notes in. Stands well and is a great quality product.

love the whole concept of this calendar - fits my crowded desk beautifully with the easel design - artwork is delightful to glance at from time to time on a really tense work day - nice touch for the two

different options for each month - please continue to offer these calendars, they make gifts

Great design and very attractive original artwork. Perfect to prop up in my kitchen.

Has two pages with month, one with space to write reminders. Very pretty flower pictures.

Perfect condition and exactly I expected!

Tiny desk calendar.....should have asked exact size.

I have never owned an actual bread product before but since I have started making my own bread, none of the knives I had were long enough to do a good job so I ordered this one. It is amazing. It's long enough for any loaf you may need it for and absolutely no difficulty is creating a smooth, even slice of bread. I would recommend it to anyone who is thinking of getting a good bread product. very fast, receive it next day, so good . for myself, good quality with low price.
