Eiichiro Oda began his manga career in 1992 at the age of 17, when his one-shot cowboy manga Wanted! won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure One Piece, which debuted in Weekly Shonen Jump magazine in 1997, quickly became one of the most popular manga in Japan.

This was the first of the One Piece manga sets I bought since I couldn't wait for the next dubbed box set of the anime. Absolutely loved it, Punk Hazard is one of my favorite arcs so far, right up there with Arlong Park and Water 7. The only reason I couldn't give it 5 stars though is because after reading them I couldn't get all the books back in the box, even after removing the bonus book and poster I still couldn't get the last volume in. If anyone else has had this problem and knows how to fix

it without damaging the books or the box please let me know. I've tried removing three books from the middle then slowly pushing the middle book in first, followed by the two on either side, but it still pushes on the covers of the surrounding books. Other than that though, I love this set.

Finally got it! I preordered this months before release and I got it by 20 Dec! Anyway, so happy with this and the box art is more beautiful than the other 2 :)

All around wonderful experience and product.

This set contains 24 volumes of One Piece greatness. From Thriller Bark up to a portion of the New World. It also has a mini poster and a One Piece Dragonball Z cross over mini manga. This will keep you reading for a while and you can also easily catch up with the latest release.

Reading these are much more pleasing than reading the triple volume books. The artwork is really great which comes with it.

Love the books.

Came in on time, love it

It is an amazing set, I've got to keep with the series much faster than I expected. I even got to look at the crossover stories with Dragon Ball and Toriko. Thank you for shipping this..
