Customer Reviews

This is a cute little doll. The directions are clear and easy to follow. Because I don't like sewing seams, I easily adapted the pattern to knit in the round using the Magic Loop method. In no time at all you could whip up a whole family of babies for the little girl in your life. By the way, I sewed the bottom of the doll closed, not trusting the drawstring to resist the efforts of little fingers to untie it!

LOL!

Haven't made these yet but they look like a fun and easy project. I think the dolls will be perfect for the Samaritan's Purse shoe boxes for younger children. I plan to get other ladies from our church involved in this project.

I had no problem knitting these cute dolls. Easy to follow patterns that will have you making dolls just like the photos. very cute.
