Customer Reviews

This book is an excellent companion to the epic film of the same title. Shot against a backdrop that is not only breathtaking, it also provides the perfect setting against which to showcase the ruggedly beautiful men featured throughout the book. Photographers Kent Taylor & Geof Teague did an excellent job posing the men in various outdoor situations. From fully clothed in sexy cowboy costume, to various stages of undress, to completely naked and aroused, these men are sure to provide the viewer with an erotic charge. The men are on display and frisky! Not only with themselves but with one another as well, providing the viewer with an opportunity to indulge in myriad old west cowboy fantasies. These are real men, not the gym-sculpted, over-pumped caricatures featured in many porn books. If you are looking for an escape with a real man: a sexy, hairy, tattooed, well-endowed stud, this is the book for you. After experiencing this adventure out west, any man with a pulse will be compelled to see/buy the film. This is everything that western-themed porn should be.
