The Ancient Magus' Bride Vol. 4

Synopsis

Chise Hatori has lived a life full of neglect and abuse, devoid of anything resembling love. Far from the warmth of family, she has had her share of troubles and pitfalls. Just when all hope seems lost, a fateful encounter awaits her. When a man with the head of a beast, wielding strange powers, obtains her through a slave auction, Chise's life will never be the same again. The man is a "magus," a sorcerer of great power, who decides to free Chise from the bonds of captivity. The magus then makes a bold statement: Chise will become his apprentice-and his bride!

Kore Yamazaki is best known as the author and artist of The Ancient Magus' Bride.

I love this series because the art, characters, storyline is so damn amazing. It keeps getting better with each volume as well since we see Chise actually developing and caring more about the magical world and herself

I have read manga before and I was hesitant to read this based on the stated storyline. The idea of a young girl sold in a slave market to be both an apprentice and a bride to a supernatural being might turn one off at first but the way it is handled here removed any doubts I had about the material. Chise has a special power that makes her teacher/future husband very protective of her as he tries to show her the wider world. The growing sense of empowerment she feels and the fact that

he stresses that whatever happens to her will be her choice has become a very good story and I can't wait to read more.

I absolutely adore The Ancient Magus Bride! The story is very engaging, the artwork is beautifully drawn and overall just a great manga! I recommend it to anyone that will listen to me! I wholeheartedly encourage anyone with a love of the fantasy genre to give this manga a read!!

This latest volume was a great read, interesting, exciting, and poignant. The author is a gifted world-builder, and it is fun to see the different magical creatures (I WANT A WOOLY BUG they are so cute :P)The fox plot seemed a bit sudden, but I like how it affects the relationship between Chise and Elias. Too often, in these sorts of stories, the characters will have a moment like that and then it'll be back to the status quo, but not here. Excellent story and I can't wait for the next one.

I really like this series. Not at all what I expected. It is definitely dark and a bit grim in places but very interesting. Great art work.

This series is one of the best I've read in a LOOOOONG time. Going to read the series til it end more likely than not.

Fascinating story, intriguing characters, and beautiful artwork. I am absolutely in love with this series and eagerly await the next volume.

Although I didn't read this certain volume yet, I have read through volumes 1 - 3. I really enjoy this series, it has romance, adventure, and a fantasy setting.
