Our Dark Duet

Synopsis

The sequel - and conclusion - to Victoria Schwab's instant New York Times best seller, *This Savage Song*. Kate Harker is a girl who isn't afraid of the dark. She's a girl who hunts monsters. And she's good at it. August Flynn is a monster who can never be human. No matter how much he once yearned for it. He has a part to play. And he will play it, no matter the cost. Nearly six months after Kate and August were first thrown together, the war between the monsters and the humans is a terrifying reality. In *Verity*, August has become the leader he never wished to be, and in *Prosperity*, Kate has become the ruthless hunter she knew she could be. When a new monster emerges from the shadows - one who feeds on chaos and brings out its victims' inner demons - it lures Kate home, where she finds more than she bargained for. She'll face a monster she thought she killed, a boy she thought she knew, and a demon all her own. A gorgeously written dark fantasy from New York Times best-selling author Victoria Schwab, for fans of Holly Black, Laini Taylor, and Maggie Stiefvater.

Customer Reviews

This book was incredibly moving. It is NOT a happy tale, but it is hopeful. It hurt to read it, but I could not put it down. There were a couple of threads that I wish had been incorporated better, but the climax was terribly satisfying...and heart-breaking. I will miss these characters, but this is an excellent place to end the story. Well done, V.

I'm disappointed that there are only two books in this series! A wonderful follow up to "This Savage Song."

Ms. Schwab and her work will be the death of me. This book is brilliant! Beautiful, dark and honest.

I will always say, to anyone, Schwab's writing and story-telling is nearly perfect. I will admit that This Savage Song (predecessor) didn't thrill me like her other books but, Our Dark Duet was a phenomenal ending. Now having read this book I would recommend both book whole heartedly. Well done Miss Schwab!

A Perfect conclusion to the Monsters of Verity duology. V.E Schwab made me feel all the feels!

Characters to love, loss to breathe through- tragedy. Written with great care and respect for character as well as the reader.

this book nearly killed me too, victoria. i am a mess everyday, but why august and kate?

Love this book. Even better than the first book.
