Map Pack - Borneo & Malaysia

Synopsis

ITMB is pleased to announce the release of our most recent map pack bundling, this time of Borneo & Malaysia and its capital of Kuala Lumpur. This Map Pack has a value of \$37 if purchased separately, and a packaged price of \$29.95 if purchased in this bundle. The maps are all current editions, conveniently grouped together in a transparent plastic bag with a new cover, showing the covers of the three maps. Borneo/Kalimantan Travel Reference Map 1:1,130,000 scale, 1st Edition - The Island of Borneo is shared by three countries: Malaysia and Brunei have the northern portion, with the balance forming Kalimantan Province of Indonesia. This double-sided map shows both northern and southern portions to good advantage; Malaysia Travel Reference Map, 2nd Ed. 2012 - 1:750,000 (west)/1:1,100,000 (east) Malaysia must be considered as two separate entities lumped together. The Malay Peninsula stretches south from the Thai border to the island republic of Singapore, and is overwhelmingly Muslim. The other half would be the far-flung island components of Sarawak and Sabah, with the Sultanate of Brunei in the middle, extending eastwards towards Polynesia, wild and only lightly touched by the modern world. As this is an update, there isn't a lot of new material; obviously, things that have changed from the previous edition have been corrected/added, and the inset map of Kuala Lumpur has been re-worked. We have added a detailed hiking map to the Mount Kinabalu inset map, and have added the new spinal highway linking Sarawak with Brunei. Kuala Lumpur (Malaysia) ITM City Map 1:10,000 scale 1st Edition. The capital city of Malaysia is vibrant and developing rapidly. This map shows the giant Petronas Towers, the Chow Kit area, Little India, and the rapid transit network. This offer is available to individuals, libraries, retailers and distributors.
