God Gave Us Easter

Synopsis

"God loved us so much he wanted us to always be with him too. That's why God knew he'd need to give us Easter. As Little Cub celebrates Easter with Papa, Mama, and her brother and sister, she begins to ask her papa questions about this very special day of the year. Papa lovingly explains God's plans for his children, while taking Little Cub on a memorable walk through her stunning Arctic world, and he shares how Easter came about in clear, simple terms that even the littlest cubs can understand.

Grade Level: Preschool - 2

Customer Reviews

Little Cub is stunned to hear her father say that Easter is even better than Christmas. On a walk, Papa Bear uses an Easter egg, an uprooted tree, and evidence of new life in a pinecone to tell the Easter story: how Jesus was the root of Jesse who came to die and to rise again so that we would have the chance to go to heaven, where we will see Him face-to-face. Covering doctrines like sin, prayer, and heaven in simple language that children can understand, Bergren adds another lovely title to her "God Gave Us" series. Once again beautifully illustrated by Bryant in watercolors and colored pencil, the Arctic home of these polar bears seems warm and inviting, both indoors and out. This small volume will make a wonderful gift for Easter baskets as well as to put on library

shelves. Preschool-Grade 1. --Melissa Moore

Lisa T. Bergren is the author of nearly forty titles, including *God Gave Us You*, the bestselling beginning of the beloved *God Gave Us* series. Her works span many genres, from adult fiction to devotionals. She makes her home in Colorado with her husband, Tim, and their children, Olivia, Emma, and Jack. Laura J. Bryant has illustrated numerous award-winning children's books, including *God Gave Us You*, *Smudge Bunny*, and *If You Were My Baby*. She studied painting, printmaking, and sculpture at the Maryland Institute College of Art in Baltimore and lives in Asheville, North Carolina.

This is my third book by Ms. Bergren, and it did not disappoint. Through a family of polar bears, she gives us the story of Easter. She explains each of the secular parts of celebrating the holiday, and how it relates to the real meaning of the holiday - the resurrection of Christ and why that happened. Her illustrations are as lovely as they have been in her other books, and the polar bear parents explain love with great gentleness to their child. I would recommend this book as well as *God Gave Us Christmas*, and *God Gave Us You*, for every family who wants to offer Christ based answers to very small children, using language that they will understand.

I got this for my grandchildren after reading all the rave reviews, wanting something that would tell the religious story of Easter in a way they could understand. I don't know why this book has so many 5 star reviews. I found the story to be disjointed and didn't seem like it was even about Jesus' Resurrection half the time. Some of it seemed pretty dark, too, which I didn't want for my 1 and 3 year old grandsons. My daughter-in-law also was disappointed in the book, as she wanted a toddlers' story of Easter. I wish now I had gotten the *Berenstain Bears Easter* book instead. Next year...

Incredible! We bought the Christmas version last year and loved it so much, we had to try the Easter version. What a beautiful, God-inspired book. The authors so beautifully explain the gift of Easter in a way that touches both children and adults. This is a book to treasure year after year!

What a beautifully written book about the Easter story! We bought for our baby's first Easter but can see this being read year after year. Would be a great buy for all ages 0-10+... Would definitely recommend!

The illustrations were cute, but I thought this was going to be a children's version of Jesus's resurrection. The storyline was all over the place and at times I forgot that it was even about Easter at all. I would not recommend this book if you're looking for a good biblical based Easter explanation.

Gift for grandchild who enjoyed the true story of Easter, a nice balance to all the candy and easter bunny stuff.

This book is a great way to help teach your children the real reason why we celebrate Easter. We really enjoy this book!

Cute book with good story line and nice picture. I ordered this for my 1.5 year old to be able to start teaching the easter story to and it is too advanced of a story line of course for him but hope he will enjoy it as he grows.
