Inquiry Into Life

Synopsis

Basic biological concepts and processes with a human emphasis. From the unique delivery of biology content to the time tested art program to the complete integration of the text with technology Dr. Sylvia Mader has formed a teaching system that will both motivate and enable your students to understand and appreciate the wonders of all areas of biology. Inquiry into Life 15/e emphasizes the application of all areas of biology to knowledge of human concerns what the students are able to relate to. This distinctive text was developed to stand apart from all other non-majors texts with a unique approach unparalleled art and a straightforward succinct writing style that has been acclaimed by both users and reviewers. In the 15th edition the authors have focused on the concept of inquiry and a student's inherent desire to learn. To do this they integrated a tested traditional learning system with modern digital and pedagogical approaches designed to stimulate and engage today's student.
