Shipping Weight: 12 ounces

Average Customer Review: 5.0 out of 5 stars 4 customer reviews

Best Sellers Rank: #1,734,080 in Books (See Top 100 in Books) #60 in [Books > Travel > United States > Washington > General](#) #3845 in [Books > Travel > United States > West > Pacific](#) #4269 in [Books > Sports & Outdoors > Hiking & Camping > Excursion Guides](#)

Customer Reviews

Book by Sykes, Karen, Sykes

There are stacks of hiking books available for Western Washington, and some are even touted as "hidden" hikes (they aren't) but Karen Sykes has written the real thing. These are hikes that for whatever reason don't attract the hordes that commonly hike the most common trails. Many of them are "secondary" hikes that either don't have the splashy payoff commonly associated with the most popular hikes; but many more hikes are special by virtue of their history or their charm. These are hikes for those who miss the adventure of trying the unknown. And because Sykes is safely conservative in her recommendations, the reader can feel assured that the conditions will be no worse than expected. For armchair hikers, the book makes good reading.

Its hard to complain about a book this awesome. Even if it is a little banged up (which it wasn't). Thank you.

A certain hike had been luring me for a couple years. I had an idea where the old trail was but once I read the book my eyes knew where to look once the snow melted. And there it was, well hidden at the start (long brushed out). Once I found it the trail was perfect the whole way. Since then I have

used her book a number of times. Sure sometimes you lose the way, you go brush bashing but always it is a good time out. But as the years are passing the trails will disappear more so if you have had the desire, start finding them!

I purchased this book following Karen Sykes' untimely death on Mt. Rainier. I bought it to honor her and her works...and will give it to my own daughter, Karen, who's passion for hiking was in part, fueled by the many hikes Karen Sykes wrote about. She will be sorely missed.
