Customer Reviews

“Fun, creative, and insightful, *Tiny Buddha's Gratitude Journal* will brighten your days and change your life!” • (Karen Salmansohn, author of *Instant Happy* and *Instant Happy Journal*)

Practicing gratitude has been shown to increase happiness, make us more resilient, strengthen relationships, and reduce stress. *Tiny Buddha's Gratitude Journal* is an interactive way to spark those elusive moments of gratitude and get us closer to being our best, happiest selves. Complete with thoughtful prompts and questions for reflection, as well as coloring pages depicting often

under-appreciated moments, this journal is a daily, active reminder of all the things worth appreciating in our lives.

This is a great personal Journal, it asks questions that will get you thinking a little deeper about things that you may already be thinking about, but now you can write your feeling with a bit more depth, plus if you like to color, there are some really neat drawings, which I found very great for taking the time to color.

What a beautiful journal and the cover though! Wow. Thank you for putting together such a great product. I love your Tiny Buddha fb page and I am so happy to be able to get this. Thank you!

Excellent guide to realize what you are thankful for and what is important.

A great journal. Very thought provoking and reflective. Recommend.

I love all things Tiny Buddah. I glean a lot from this author.

I really enjoy this journal. The prompts are things we can all relate to. Some I can write about now and some I know I will be able to write about one day. The illustrations are fun and it is nice that we can color them in. Great book.

Awesome journal, my first ever! Great ideas and prompts to get me started!

Love it. High quality. Thank you.
