The Doctrine Of Human Beings & Sin (NGIM Guide To Bible Doctrine Book 6)

Synopsis

This is a popular introduction to the study of Human Beings and Sin (anthropology and hamartiology) firmly rooted in the Bible and the evangelical tradition. Each chapter covers an area of the doctrine, stresses its basis, doctrinal importance and interconnectedness to formulating a Christian view of Human Beings, Sin and other doctrines. The study questions provided help reinforce the material and make it usable even for a formal study of the doctrine. It is ideal for personal study or in groups for the home, church, school or ministry environment.
