# The Longman Reader (11th Edition)

## Synopsis

For courses in English Composition. The acclaimed rhetorical modes reader, with remarkably detailed writing guidance Best-seller The Longman Reader includes its abundant and highly praised pedagogy as well as a wealth of readings organized by patterns of development (an alternative table of contents organizes them thematically). The opening chapters focus on reading critically and the writing process. The subsequent chapters begin with detailed writing instruction, including an annotated student paper and revision and peer review checklists, and end with professional essays. These new and beloved professional essays range widely in subject matter and approach â “ from the humorous to the informative, from personal meditation to argument â “ and capture students&#39; interest while demonstrating specific patterns of development. The Longman Reader shares the same readings and other core material with The Longman Writer. Also available with MyWritingLab â„¸ This title is also available with MyWritingLab â “ an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. NOTE: You are purchasing a standalone product; MyWritingLab does not come packaged with this content. ## Customer Reviews

John Langan has taught reading and writing at Atlantic Cape Community College near Atlantic City, New Jersey, for more than twenty-five years. The author of a popular series of college textbooks on both writing and reading, John enjoys the challenge of developing materials that teach skills in an especially clear and lively way. Before teaching, he earned advanced degrees in writing at Rutgers University and in reading at Rowan University. He also spent a year writing fiction that, he says, is now at the back of a drawer waiting to be discovered and acclaimed posthumously. While in school, he supported himself by working as a truck driver, a machinist, a battery assembler, a hospital attendant, and an apple packer. John now lives with his wife, Judith Nadell, near Philadelphia. In addition to his wife and Philly sports teams, his passions include reading and turning on nonreaders to the pleasure and power of books. Through Townsend Press, his educational publishing company, he has developed the nonprofit Townsend Library, a collection of more than a hundred new and classic stories.

The Longman Reader is a very useful book for mastering the basics of English grammar rules and getting used to college writing. I used this book for my first communications course in college and it proved a very handy companion when I needed to write essays, for two reasons; firstly, the book has a lot of concise guides on grammar rules and essay writing guides and secondly, it has real annotated samples of different kinds of texts. I would recommend you buy this book if you're not especially sound with your written English, as it can be a useful guide for any time you need to write a structured document. Otherwise, I'd recommend you rent this book. The exception here is that your college may require you to have an access code for the book, in which case you need to buy the book to ensure you get the access code.

This book just arrived and I expected a beat up abused text because they noted the condition as just GOOD. This book is in amazing beautiful clean almost pristine condition. Now, I want to get all my books from these people. Now...to review the text book. WeeeIIIII, it's a textbook. Yuck. BLAH...hard work ahead. I can't compare it to previous editions because I don't have them. It's smaller in size which I really like. Smaller generally means less to carry weight wise and less space

consuming in my bag so that's good. Now there are a couple days of freedom before class starts so we will see what goes with the bold then!!

I plan to return this book. I think it is nowhere near good condition. The corners of the front are gone and it's bent up, as well as 30-50 pages back are worn a half inch on both corners.

The book literally had black mold spots on all pages of the book..

Great to have for school

Just got this for my english class. Very helpful

This "custom edition" should have been referenced as an abridged edition. It is NOT the full reader and so is mostly useless for my son's class. I suppose I should have guessed that custom = abridged, but since there is a "Brief" edition, I assumed that this just had Tulsa CC all over it. Since this book is out of print, getting the right edition is crucial. Now my son is behind in his reading, I'm out my money, and all because the information was not explicit. The info I needed was right on the flyleaf!! I'm sure this edition is useful for people who don't really care about having the full edition, but it's not much good to me.

Very few of the readings needed for class found in the printed edition were in the kindle edition. Unless your professor explicitly states that you can use the Brief edition DO NOT BUY!
