Dave Grohl: Times Like His

Synopsis

Across the entire body of Foo Fighters albums, the whole legendary Nirvana tale, the pre-history in the nascent Seattle scene and Grohl's flirtations with Queens of the Stone Age and his super group side project Them Crooked Vultures, this is an utterly comprehensive, insightful chronicle of Dave Grohl's remarkable life. Drawing on new interviews with key figures in the Grohl story, this definitive biography includes the stories of the 2007 multi-platinum opus *Echoes, Silence, Patience & Grace*, 2011's *Wasting Light*, which saw Grohl reunited with Nirvana producer Butch Vig, and *Sonic Highways*, their homage to classic rock.

Anything Dave Grohl I'll love. I like that this is a recent publication. His mom is coming out with a book!

Bought for my husband who loves all music, big Nirvana fan and Foo Fighters as well as many other

bands.He really like this book!

interesting read

Very good read just can't wait to see him perform the more I read the more amped up I get to see them bye mike motility in Lynn ,massachuesets

Outstanding product, super fast delivery, very pleased.

A must read for Foo Fighters fans!

Awesome book! Lotsa cool stories!

If you want to listen to the author talk about Nirvana a lot, and a bunch of very obscure bands that only a very few people have heard of unless you are up to speed on the Seattle music scene 25 years ago, then you'll love this book. If not, don't bother very hard to stay interested.
