Customer Reviews

Oh, this was a wonderful book! I laughed, I cried, I fell in love with two little impish twin girls who wanted a mother more than anything. Hurry and snap up this book. You will love it. Clementine had lost her husband, her baby son, and her home. But she was determined to find love again and so she placed an ad as a mail order bride. She fell in love with Evan and his adorable twin daughters. Or she thought she did. But it turned out Evan hadn't written the letters and he had no desire to marry again. She felt this family was perfect for her, but she couldn't stay lest she fall in love with Evan. But, oh, it was going to break her heart to leave. There are two brothers who are featured in the next two books. I bought them already. I'd advise you to jump in heart first. That's how good I thought this was.

I enjoyed reading this book. How 2 people had lost their spouses and found love again. The twin girls and their grandfather had sent for the bride

A country doctor in need of a wife and mother for his mischievous twin daughters. A escapade as it all came together.

As always, Jillian Hart's words have held me spellbound; I read it almost in just one sitting.
Well-written, fun story!

Jillian Hart is one of my top five favorite authors and she never disappoints. Read it, you'll enjoy it.

I love the mail order bride stories when a woman is hoping for a new and better life and she finds it.

This was the first book I read from this author, this one was so good I ordered and read the other two in this series

Predictable but cute! A great beach read.
