The Unofficial Middle-earth Monster's Guide: Hunt Hobbits, Hoard Treasure, And Embrace Your Villainous Nature

Synopsis

It's good to be bad! You're not evil. You're just...misunderstood. And you're in good company. In *The Unofficial Middle-earth Monster's Guide*, orcs, goblins, trolls, dark wizards--and an especially articulate dragon--serve as the perfect role models for aspiring evil-doers. Coveting that corner office? Crush the current opponent with your blood-thirsty Uruk-Hai army. Contemplating revenge on a past love? Blast him with a ball of fire--it's really the only sensible solution. Want that kid's cookie? Go ahead and take it. We won't tell. Inside you'll find: Advice on attacking, defeating, and cooking hobbits, elves, dwarves, and pesky white wizards. Philosophies of evil from various Middle-earth baddies, from balrogs and orcs to spiders and squirrels (yes, squirrels). Fashion advice for the well-dressed villain. Tried-and-true tips on spying, being sneaky, and preparing roast mutton from villains who know. So slip on your new ring of power (it really is quite beautiful, isn't it?) and curl up on the couch with your warg. *The Unofficial Middle-earth Monster's Guide* is the only compendium of evil you'll ever need to conquer all of life's challenges--and the world.

Customer Reviews

This book is funny, sarcastic, and organized. I loved this book and I think if you like the Lord of the Rings or the Hobbit you will love this book. P.S. If you are an Elf or a Hobbit (if you are good in general) you will probably be eaten by Gollum or a Dragon.

So So. My first thoughts after a quick look and a cursory skim of the book: I was expecting something similar to the *Dungeons & Dragon Monster Manual* only specific to the monsters Lord of the

Rings Trilogy and the Hobbit. This is far from from it. There are very few illustrations in the Middle Earth Monster Guide. Definitely a case of "you can't judge a book by its cover or title." I wish I could've borrowed it from a library before I actually bought it. I would saved myself a few bucks. I'll give it a second look within the week and see if my initial three star rating goes up or goes down. I suspect on closer investigation, the book will lose stars. Too bad, it looked promising.
