## Customer Reviews

J.K. Rowling est l'auteur de Harry Potter, la saga de tous les records. Lus et aimés dans le monde entier, les sept romans ont été traduits dans 79 langues, vendus à plus de 450 millions d'exemplaires, couronnés de nombreux prix littéraires et adaptés en 8 films succès. J.K. Rowling a également publié trois ouvrages dans l'univers de Harry Potter, dont les droits d'auteur sont reversés à des œuvres de bienfaisance : Le Quidditch à travers les âges, Les Animaux fantastiques, et Les Contes de Beedle le Barde. Elle a signé par ailleurs le scénario du film inspiré des Animaux fantastiques, et a contribué à l'écriture d'une pièce de théâtre, Harry Potter et l'Enfant Maudit. En 2012, J.K. Rowling a lancé Pottermore, un site internet où les fans peuvent découvrir de nouveaux textes et s'immerger dans le monde des sorciers. J.K. Rowling écrit aussi pour les adultes, notamment des romans policiers sous le pseudonyme de Robert Galbraith. Pour ses services rendus à la littérature jeunesse, J.K. Rowling a reçu des prix et récompenses prestigieuses, dont l'ordre d'Officier de l'Empire britannique, la Légion d'honneur et le prix Hans Christian Andersen. Jean-François Mœnard est écrivain et traducteur de nombreux ouvrages pour la jeunesse, comme «Harry Potter» ou «Artemis Fowl». Il est né à Paris en 1948 et vit encore. Il a étudié la philosophie, a travaillé pour le cinéma et a publié de nombreux ouvrages. Il voue une grande passion aux voitures anciennes et à la

gastronomie. --This text refers to the Mass Market Paperback edition.

Fantastic! I listen to Harry Potter regularly in English as I go off to sleep... So I decided it was time to try to relearn my French. And what better way than with Harry Potter! I was concerned that there was only a single disc (compared to seven for the English version) but it's all there on a single MP3 and plays perfectly on my Bose Wave Radio/CD player. I recommend it to anyone who wants a French language version.

I would give this book five stars, but I am somewhat disappointed that it is abridged ("folio junior"). I think that this more accurate description should be included in the title.

Purchased this Livre Audio (French language audio book) as a gift for a Harry Potter fan taking HS French 3. The recordings are high quality with a native French speaker, so it makes following the familiar story easy. Because the story is familiar, you can perfect your ear and accent. If the mp3's are loaded onto an ipod, you can adjust the speed of the speech to make it easier to understand.

What better way to study French than to get a book you practically know by heart (with all of the rereading) in French. If I ever learn another language, you can bet that I will be getting Harry Potter in that language as well! And if you're feeling up to the task, get the audio-book as well and try to follow the story that way. What's strange is I can normally understand the written language well, but I can't follow along when it is being spoken. (On a side-note, some of the words have changed in translation. Muggle is no longer muggle, etc. If you know the story, you'll follow along well.) Happy reading!

I bought this book to practice my French. I've read the Harry Potter books so often that it has already helped me pick up on the syntax and grammar. Paired with two French-learning apps and my French textbook, I think I have the next three semesters of French in the bag!

I decided to read the Harry Potter series in French because I was bored. The books are in great condition and are pretty easy and fun to read. If you are using them to help learn French I suggest keeping a tab open with [wordreference.com](http://wordreference.com) and look up and make flash cards of the words you don't know. I have taken 5 years of french and I had 300 words after reading 66 pages. The reading isn't hard but there are quite a few magical/english words that are translated funny into french that

you will want to write down and remember. It's really cool to see how it is translated.....there are little differences that make reading the series new all over again

Bought this to improve my French skills. Had read it in English many years before. It was still a great read and is written in contemporary French with enough dialogue which really helps with improving your speaking skills.

This is a perfect book for French beginners. It's written at about the third grade level, so there's a manageable body of vocabulary and lots of repetition. Get this book on your Kindle with a good French-to-English dictionary. You definitely won't regret it.
