Customer Reviews

It was a really manga to read if you are curious about it! I am only giving it four stars because I think that it was over way too fast. It would have been nice if the story longer. To see how the characters could have had more depth to them with a longer story. Even though I liked reading it. Thumbs up!

Great story line. Really cute romance with plenty of action along with it. Would definitely recommended to anyone for quick read

Well, I was waiting a great story but it wasn't my taste. The MC was to weak..

I love reading this Manga. I have the whole series. It was a great one that I will reread over and over. It was great. I hated that it ended

I hate how short this one was but it was still really good I just couldn't stop reading so sad it had to end after 4 books

I love this story so much I would like to read more about it and other by the same person.

Loved the story. Wasn't what I expected though!

love the art
