Porches And Sunrooms: Planning And Remodeling Ideas (Home Improvement)

Synopsis

Porches and Sunrooms is the perfect reference tool for homeowners who are considering adding or renovating a porch, sunroom, or conservatory. Topics include planning and designing the "outdoor room" to bridge the indoors and outdoors, basic information on the room's structure, and details on what a homeowner should know to add it to the house. You will see real-life examples in hundreds of beautiful, full-color photographs, discovering what a difference a porch can make to the outside of your home, or a sunroom to your indoor lifestyle.

Readers will see real-life examples in hundreds of beautiful, full-color photographs, discovering what a difference a porch can make to the outside of their home, or a sunroom to their indoor lifestyle.

Very nice book. Excellent ideas. Information for the do-it-yourself person. s

Love this book

Great ideas on sunrooms and porches...gave us a lot of ideas on our add on...which is almost complete...Thanks for the great ideas!

This book gave us some good ideas regarding enclosing our sunroom.

Good Fine

Some good ideas. Nice book

Lots of great ideas. I like reading it as a "wish book" and probably will never get around to adding on.

We are looking to add a 3 seasons room in the future and this book has lots of good how to do and what is needed to do it.
