Customer Reviews

I really enjoyed reading this book. Lilly is a woman who's ideas I would have agreed with. Her groom has allowed someone to make him think less of himself than he should. Enjoy this book, I did!!!!!!

This is the second book in this series that I have read , both written by Sandra. I loved it Lily and Wythe both have imperfections. Her face was marred in an accident. Him, an accident caused one of his legs to be useless. Lily called off her engagement, now her little sister is marrying the man she once loved. She travels to Jubilee Springs to meet and marry Wythe, can these two find love?

Jubilee Springs is steadily changing from bachelors ville to family town. Lily is running from the pain of seeing her once fiancé getting ready to marry her younger sister. She set him free when an accident mars her beauty, but she refuses to spend the rest of her life in the shadows of her sister's happiness. Wycliffe was crippled in a work accident, but hopes to find a mate who is interested in more than his wealth. Can they find happiness together?

Sometimes our imperfections are perfect for another imperfect person!! Such is the case of Lily and Wythe. Neither thought they would find love, so they decided to settle for compatibility. Will they find it? Can it turn to love? Another great story by Sandra E Sinclair. I really enjoy her books. They leave me with a sense of hope that when life throws us lemons, we can make lemonade. I received an advanced copy of this book. The review is my own.

I really enjoy the characters of Jubilee Springs, haha they always make me laugh I spend almost the whole time reading with a smile on my face Thank you

What a wonderful story this book has.Two people marred by accidents find each other by mail and end up together.A beautiful sweet story.

I love this story. All of jubilee springs books are a great read. In this one two souls who suffer

tragedy find love..

I think everyone will love this book, two heart's broken by tragedy that left them thinking no one would ever love them.
