Customer Reviews

A friend lent me his Top 10 Barcelona and I liked it and ordered this one about Corsica. But, with

small print, it is very detailed so not exactly a quick reference.

The "top 10" format leaves much lacking. While the internet links are nice when on WiFi, it's not so usable when trying to locate maps, etc. out of range of a WiFi system.

Excellent guide for travel information that is easy to use and with great suggestions!

Good guide for overall summary of "what to do".
