Halo: Blood Line: Complete Edition

Synopsis

The prospecting vessel Long Time Coming is more than your average explorer ship. Underneath the grit and grime, it's part of the Office of Naval Intelligence, and its crew and `prospecting equipment` are en route to the front lines. That is, until the ship encounters a strange phenomenon in slipspace that sends the vessel plummeting toward an unknown planet. But they're not the only ones shipwrecked on this world - a world that's more than just an anonymous hunk of rock. It's a story of war, survival and, above all else, a family of Spartans who will never let each other down.

Customer Reviews

This Halo comic tells a great tale of a group of spartan, more of a family of Spartans. The art is well done, and fits with the Halo 2 and 3 style. Although there are some plot points that could use some explanation, or felt a bit lacking, the overall narrative is quite good. It fits in well with the rest of Halo canon, and is a welcome addition to Halo lore.
