Customer Reviews

I bought this book for my best friend since she wants to reduce. She told me that this book is helpful for her. The instructions are very detailed and well written. Easy to follow indeed!

After being diagnosed with type 2 diabetes, I knew it was time for a change. A friend recommended the Whole 30. The book didn't pull any punches and was very honest about the Whole 30 process. 30 days later I lost ten pounds and was able to eliminate one of my medications. If you are up for a challenge and want to completely change the way you think about food, then the Whole 30 is the book to buy. Happy journey!

Whole food diet is a way of living. Anyone who wants to have a healthy diet, and to have a normal body weight, you should eat this way. This book gives you good information about what is Whole Food diet and how it is applied. Before that, here you will find a meal plan for the first month. You'll see, after 30 days you will feel much better and livelier. My sincere recommendation for this book!

Delicious list of whole food recipes to learn and the instructions to prepare each recipe are so easy to follow and understand. I've been trying to lose weight with different methods but no luck so far that's why I have decided to give this whole food challenge a try and so far I'm positive that it is working because I already lost some weight after a week of eating the recipes this book provides.

Excellent! This book has simply what you need for your whole 30-day challenge. The author did a good job with the food recipes for this period. This book is very easy to read, easy to follow and straight forward. After 30 days I couldn't believe how much more energy I had. I feel less tired, less sick and just overall more healthy. This book has really changed my life. Recommended!

This is a great book to start on a healthy diet. With these recipes, dieting becomes easier and convenient. This book provides a thorough explanation on how a whole food diet could reduce weight while leaving you healthy in just 30 days. What a very interesting book to read and is filled with mouth watering recipes that are easy to prepare. I recommend this to all who are looking for a particular diet that gives them the right shape and keeps them fit and healthy! This recipe book definitely makes dieting easier and convenient!

To be able to maintain your weight or have a lesser weight than what you have right now, you can try this whole food challenge for 30 days. I think this is just effective for everyone without even trying

to lessen what you eat. Mostly you just need to eat fruits and vegetables and less on meat and after 30 days you will see the difference. I like the colors of some titles and how it's written.

Understandable.

This book has simply what you need for your whole 30-day challenge. I appreciate how the author wrote this book. This book allows me to have a healthy diet, and to have a normal body weight, you should eat this way.
